**Councillor Gallagher to Move:**

I call upon this Council to implement the procedure of recording a Councillor's name when making a contribution to the meeting and the recording of said minutes.

**Alderman McClintock to Move:**

That this Council re-iterates the civic responsibility of the holder of the office of Mayor to represent all; recognises that this has been severely compromised by the ongoing politicisation of the role by Mayor McHugh, wearing the chain of office on several occasions whilst promoting his own party politics to the detriment of good relations.

Therefore this Council calls on Mayor McHugh to apologise for his actions and commit to carry out his duties in an inclusive manner and represent all the citizens of the Council area for the remainder of his term.

**Councillor Dobbins to Move:**

This Council recognises the benefits of autism friendly facilities for parents and families of children and young people with autism, e.g. special performances in the Millennium Forum.

This Council mandates officers to bring back a report on how Council promotes autism friendliness within all our facilities and on a wider basis throughout our city and district.
