1 Purpose of Report/Recommendations

- 1.1 To seek Members endorsement with regard to the final draft of A Circular Economy / Zero Waste Strategy for Council prepared by Eunomia Consulting and to receive a presentation from Eunomia on same.

2 Background

- 2.1 Members will recall previous items setting out the background to this item and in particular to the partnership arrangements put in place between Council and Zero Waste North West with regard to this commission.

3 Key Issues

- 2.1 The Strategy sets out the key actions required to move Council towards a Circular Economy / Zero Waste approach to achieving sustainable waste management practices whilst at the same time creating economic activity by linking job creation to waste recovery and treatments.
- 2.2 Full details of the Strategy are as set out in the enclosed document –appendix 1 – and as detailed by Eunomia in their presentation to Members.

3 Financial, Equality, Legal, HR, Improvement and other Implications

- 4.1 There are no financial, equality, legal, HR, improvement or other implications associated with this item.
- 4.2 Adoption of the strategy will however require additional resourcing as Council moves forward with implementation of the measures contained within the document.

5 Recommendations

5.1 Members are asked to endorse the Circular Economy/Zero Waste Strategy.
