

Health & Community Committee – 7 December 2017

Consultation List

Name of Consulting Organisation or Government Department	Title of Consultation	Details/Response Date
Northern Health & Social Care Trust	Consultation on the future model for acute paediatric services in Northern Trust hospitals	<p>Closes: 26 February 2018</p> <p>The nature of children’s services has changed in recent years with a sharp decline in the numbers of children treated as hospital in-patients. More care is now provided in the community, outpatient departments and within rapid access or ambulatory care settings.</p> <p>We would like to consult with you on how we propose to deliver our hospital paediatric services in the future. We aim to offer local people excellent health care that can be sustained over time and we look forward to this period of consultation to give us an opportunity to listen to your views.</p> <p>The consultation document can be found on the Trust’s website at http://www.northerntrust.hscni.net/about/3014.htm</p>
