Dear Mr Kerr

**Re: Planning Application LA11/2017/0510/F - Proposed retention of underground slurry collection chamber, proposed pipework, safety fence and landscaping (further information re: Surface water gully and level sensor laser measurement system) at Lands approximately 40 metres west of 24a Evish Road, Strabane, Co Tyrone.**

I refer to the above referenced planning application and to your letter to Ms Maura Fox dated 14 February 2020 which has been brought to my attention.

I would be grateful if you could provide me with an update on DFI's position and the likely timeframes involved for your Department to consider on this matter as soon as possible.

Yours sincerely

Cllr. Christopher Jackson  
Chair of the Planning Committee  
Derry City and Strabane District Council
