Good afternoon Mr Kelpie,

My name is Clare McMenamin and I am the Principal of Culmore Primary School.

I have just received your letter regarding pupils wearing trousers to school despite their gender. I think that this is a fantastic move forward for girls and young ladies in schools nowadays.

Our school has always allowed girls to wear trousers as part of their uniform so this is really nothing new for us but I am delighted that it will hopefully be an option for others moving forward.

Sincere thanks,

Clare McMenamin
