

Health & Community Committee – 11 February 2021

Consultation List

Name of Consulting Organisation or Government Department	Title of Consultation	Details/Response Date
<p>Department for Environment, Food & Rural Affairs (DEFRA)</p> <p>(A joint consultation of the UK Government, the Scottish Government, the Welsh Government and the Department of Agriculture, Environment and Rural Affairs in Northern Ireland)</p>	<p>Best Available Techniques – A future regime within the UK</p> <p>Preventing or minimising impacts on the environment from industry</p>	<p>Closes: 18th April 2021</p> <p>The UK and Devolved Governments have launched a joint consultation on 25th January 2021.</p> <p>The Consultation sets out the proposed approach for a regime for developing Best Available Techniques (BAT) which will be used in environmental permitting for certain industrial activities. As we develop the detail of the new regime for BAT development within the UK, we particularly wish to hear views from stakeholders on key elements of policy design, including the organisation and governance process, public participation, scrutiny, related policies on implementing BAT, and how the process will be evaluated.</p> <p>For more information, and to access the consultation please visit https://consult.defra.gov.uk/airquality/industrial_emissions_bat</p>
<p>Department of Health</p>	<p>Public Consultation – Introduction of a Statutory Soft Opt-Out System for Organ Donation</p>	<p>Reminder that the public consultation closes on 19 February 2021</p> <p>https://www.health-ni.gov.uk/consultations/organ-donation</p>
