Dear Sir or Madam,

**REMOVAL OF PUBLIC PAYPHONE:**

I am writing to advise you that the above mentioned kiosk has been extensively damaged in a recent fire and was removed for safety reasons. As our records indicate the payphone received little use during the past twelve months we do not propose to reinstate the service.

Our obligation to provide a Universal Service will be maintained, as there are other kiosks within the vicinity. The nearest alternative kiosk is at Aughlish Court, Londonderry. BT47 6JN, which is 636 meters away.

Before we can permanently remove a kiosk we have an obligation to consult with relevant public bodies on the proposed removal. As part of the consultation process it is a requirement that the Council reply in writing to BT within 90-days giving their comments or any objections received from the local community. Further information on the consultation process can be found at: [http://stakeholders.ofcom.org.uk/binaries/consultations/uso/statement/removing\\_callboxes.pdf](http://stakeholders.ofcom.org.uk/binaries/consultations/uso/statement/removing_callboxes.pdf)

If you do not reply, it will be taken that the council and interested parties have no objection to the permanent removal of this payphone.

A notice of our proposal has been included with this letter, as you may wish to display this near the site of the recovered kiosk.

If you require any further information or have any queries please do not hesitate to contact me via email at [btpcf@bt.com](mailto:btpcf@bt.com)

Yours faithfully

Jim Blanch
