Dear *Karen,*

I refer to your letter dated 11 August 2021 regarding funding for La Dolce Vita Project.

I recognise the valuable work undertaken by La Dolce Vita Project in providing support for those impacted by domestic abuse, sexual violence, and parental alienation.

It is intended that organisations from across the Voluntary and Community Sector providing health and social care services will have an opportunity to apply for Departmental Core Grant Funding from April 2022. My officials will ensure that La Dolce Vita is made aware of the opportunity to apply when the open call is issued.

I trust that you will find this response helpful.

Yours sincerely

*Robin Swann*
